Jeremiah's Room

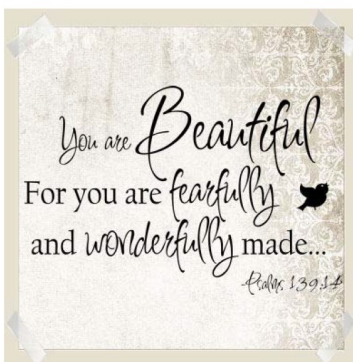

*For Special Needs
Students and Adults*

JEREMIAH'S ROOM is a program of religious education for special needs people in Our Lady Queen of Angels Parish. Students with all disabilities, including Learning Impairments, Intellectual Disabilities, Emotional Disturbance, Physical Handicaps, Speech, Hearing and Sight Impairments are welcome.

The goal of our adaptive program is to demonstrate and teach the love and acceptance of God, while providing an atmosphere where people can grow and learn according to their own abilities. This is done through a curriculum designed to present religion as a celebration of God's love and to teach God's part in their everyday life.

The classes are held at Our Lady Queen of Angels Parish's Faith Formation Center, 585 Main Street in South Meriden on the Holy Angels Campus.

Jeremiah's Room provides three levels of instruction for the students. They are grouped in small, individualized classes according to their age,

functioning level and abilities. This allows them to be placed on a level which best meets their individual needs.

PRIMARY LEVEL

The Primary Level is geared to students, ages five to ten, who are beginning their religious instruction. The lessons taught are basics such as: who is God? Creation, Jesus and Learning to pray. Simple, fun-filled activities, story telling, music and arts and crafts are the teaching methods most often used on this level. Activities for fine motor control, reading readiness and basic learning skills are also part of the curriculum.

INTERMEDIATE LEVEL

The Intermediate Level is geared to students ages eleven to sixteen. The curriculum includes Bible Stories, Life of Jesus, learning about the Church and the Mass. Students participate in group activities, role-playing, arts and crafts and independent reading and learning activities. The Intermediate Level curriculum also includes the same methods used in the primary level classes, but on a more advanced level.

YOUNG ADULT LEVEL

Students on the Young Adult Level range in age from seventeen to twenty-one. This level provides a specialized curriculum for students with good reading skills and the ability to work independently. Lessons include the Holy Spirit, the Ten Commandments, Prayer and God's Community. The students also learn about values, sharing and making choices, and each class includes time for socializing.

SACRAMENT PREPARATION

Students in Jeremiah's Room classes, when ready, will prepare to receive the Sacraments of Reconciliation, Holy Eucharist and Confirmation.

Holy Communion

SPECIAL ACTIVITIES

Throughout the school year the students participate in various activities. These include Holiday Celebrations, Christmas Liturgy and service projects.
